Autodesk®

Thank You For Activating

Congratulations!
Autodesk Maya 2014 has been successfully activated.

Under the terms of your activated license, one or more products are allowed to run on your computer. Uninstalling Autodesk Maya 2014 does not remove the license.

The image shows a screenshot of an Autodesk activation confirmation window. At the top left is the Autodesk logo. The background features a large, glowing blue power button icon surrounded by a circular, metallic-looking structure. Below this, the text "Thank You For Activating" is displayed in white. Further down, a "Congratulations!" message states that Autodesk Maya 2014 has been successfully activated. A smaller line of text explains the license terms. On the right side, there is a circular icon with a green checkmark inside, indicating successful activation.
